HABIT OF MIND

THINKING INTERDEPENDENTLY

DEAR PARENTS AND FRIENDS OF
OUR SCHOOL,

The much anticipated journey to Queenstown proved to be rewarding and enjoyable for all. I unfortunately missed out on this experience, but since have met with representatives from the different hockey and netball teams to hear about their highlights and findings:

*The bus trip was long but fun. I got to know my friends better because we had time to chat and sing together. The Balmoral mums sang alongside the netball courts and this created a wonderful atmosphere. **Anda***

*From the goal, I loved watching the U13A hockey girls playing with skill and lots of effort. The B team were supportive from the side which motivated us to play well. **Gemma***

*The bus trip to Queenstown was such fun. Two girls managed to get themselves stuck in the loo and this was very entertaining. I also enjoyed playing sport with my friends. **Michaela***

*I so enjoyed the experience of getting to know my teammates better. We definitely connected with each other and showed good sportsmanship. **Emma R***

*The U13A netball were down in the first half and I was really impressed that we managed to get more points against a really strong team. I'm very proud of my team's effort. **Lila***

The teamwork between my U13B netball team was very good. When the opposition had the ball we worked hard-

er to put pressure on them to get it back. Overall the trip to Queenstown was memorable and successful. Jamie And from one positive note to the next, K Day this week presents an opportunity to enjoy friendly competition, make new friends and develop lifelong well-being skills. During assembly, I reinforced the importance of playing matches with respect for opponents, umpires and coaches and that our girls should strive to be humble in victory and gracious in defeat.

In closing, I would like to wish our coaches, managers, players and parents a wonderful K Day experience.

WARM REGARDS,
MS BARBARA HIBBERT

CHAPLAIN'S MESSAGE

1 CORINTHIANS 12: 12 -18

Our bodies are made of different parts, each with a unique function. These parts have been positioned in such a way that enables them function effectively. Feet are situated below for moving the body while eyes are on the head which allows for better vision.

This represents our church. Beautiful with each of us in it. Where do you fit in? Are you the ears that can listen to God, or a mouth that can talk to God and his people? Are you the arms or the legs that can move things for God? We are the body of Christ and each one of us is a part of it. We all fit in together and when we use our gifts, we enrich the church. Amen!

SPORT DATES

FRIDAY 7 JUNE

11:15 K- Day Netball

SATURDAY 8 JUNE

07:45 K-Day Hockey

DEAR PARENTS

We had another early departure and long drive to Queenstown on Saturday for most of our hockey and netball teams, but this time in luxury buses, which made the journey most enjoyable. The tech-free aspect also added to the atmosphere and engaging chatter could be heard throughout the journey. We had mixed results this weekend, which is positive in that both schools came away with a sense of victory. DSG dominated in the hockey, winning all their games but one, which they drew. The netball results saw one win, one draw and six losses. The U11A netball team were delighted to win their first game of the season and our U13A hockey team excelled, scoring five goals and conceding only one.

K-Day sporting fixtures began last night with our top six squash girls taking on Kingswood at their courts. The girls had this to say: "It was quite stressful at first as there were so many spectators, but as the games started, we became focused on our play. We had a lot of fun, winning 15-3 and it was a great start to K-Day."

The U10 hockey scheduled for Thursday has been postponed until after half-term.

The programme and information with regards K-Day can be found on the myDSG portal and the SOCS website.

MUSIC

"Music can change the world because it can change people." - Bono

The talented young musicians entertained the school, teachers and parents once again at our music concert held on Wednesday. The junior string ensemble set the tone of the concert with their beautiful rendition of Lovely by pop sensation, Billie Eilish. The choir did an impromptu appearance and displayed pure enjoyment for their love of choral music and this filled the music room with lots of vibrancy. This performance was in preparation for the annual Big Hymn Sing that took place on Sunday at the St Michael's and St George's Cathedral hosted by Kingswood College as the kick-start to their K-Day week ahead. I would like to commend all the solo performers for highlighting their talent in front of their peers, teachers and parents. Well done girls!

THE GRANGE DUTIES

TUESDAY 11 JUNE

Ms Nosi Lukhele 079 297 3095

WEDNESDAY 12 JUNE

Ms Carol Claasen 074 568 7346

THURSDAY 13 JUNE

Ms Shana Ellappa 083 938 0941

FRIDAY 14 JUNE

Ms Thabile Themba 074 475 9691

THE WEEKEND
