The final subject choice will be submitted electronically to Dr Petra Gentz (DSG) or Mr Graham Creese (SAC) by Friday 14 October 2022. An email with the link to the electronic subject choice form will be sent to you.

In Grade 8, your child takes 13 subjects. In Grade 9 we reduce the number of subjects to 11, so that your child can select subjects that he/she enjoys and do them in greater depth. The eight subjects that ALL Grade 9s will continue to do are:

English
First Additional Language (Afrikaans, French, isiXhosa, Mandarin)
Mathematics
Natural Sciences
History
Geography
Second Additional Language (Subject Music, French, Spanish, isiZulu, Classics, isiXhosa, Mandarin)
Life Orientation/Chaplain

Your child will now have a choice of taking three subjects from the list below. Please indicate FOUR DIFFERENT choices, in order of preference:

	Drama	Design	EMS	Subject Music*	Visual Art	Marine Sciences	Dance
1 st Choice							
2 nd Choice							
3 rd Choice							
4 th Choice							

*this is in addition to taking it in the Second Additional Language option)

As the Second Additional Languages are taught as two-year courses, it is not recommended to change to another language at the start of Grade 9. However, we are introducing a one-year isiZulu SAL course in Grade 9, which is intended mainly for those who take isiXhosa as their First Additional Language and who are considering A Levels in Grade 11. Please indicate your preference below:

- Continue with SAL from 2022 into 2023
- Change to isiZulu SAL in 2023
